Title: RefRain - prism memories - ORIGINAL SOUNDTRACK

Genre: Action, Indie

Developer: RebRank

Release Date: 12 May, 2016

English, Japanese

Its hella lit. Just scan for it in the music settings for it to be put in your music library if you didnt know that featured existed like me aaaaaaah.. i made no mistake buying this, the RefRain OST is really really good. i made no mistake buying this, the RefRain OST is really really good.
